Our inspiration comes from the Roman base pizza traditions, known for its thin and crispy crust. Add a Danish chef's gastronomic perspective, always focusing on taste and gastronomic marriages before tradition - and you have the Gorm's pizza. An original pizza, that we are very proud of.

Our base is made with the original sourdough from 2008, used since the opening of the first Gorm's Restaurant in Magstræde in Copenhagen.

Our dough is cold risen and baked, so you get the thinnest base with the most crispy crust, you can imagine.
