GORM'S AND THE KIDS PIZZAKINGS

At Gorm's we wish to challenge the kids and their taste buds. That is why the kids pizze are the same as the adult pizze.

*"Kids like all different kinds of food!
I think that you are supposed to challenge kids with different tastes, to make sure that they try different things, instead of always ordering a pizza with ham and cheese"*

THE ADVENTURE OF GORM

Once upon a time, there was a boy called Gorm, who loved pizza. His fascination for pizza was so big, that he always made pizza for his friends and family on Bornholm.

Gorm really enjoyed bringing pizza leftover to school, because then he felt like the king of playtime breaks. Gorm actually ate so much pizza, that his friends started calling him "Pizza Gorm".

One day he decided, that everyone in Denmark should have the opportunity to taste his pizza. That is why he opened his own pizzeria in 2008, and at the same time he could eat all the pizza he felt like :)

We hope that you will enjoy Gorm's pizza, as much as Gorm do.

Pssst!

Kids are of course welcome to order from the regular menu card as well.
